Dear Friends:

It is my pleasure to recognize the Everbright Chinese School on its 10th Anniversary and to share in the celebration with students, staff, families and volunteers.

Since being established ten years ago, Everbright School has provided countless children and young people the opportunity to learn the Chinese language and culture. Participation in enrichment programs including English, mathematics, and SAT preparation has made a significant difference in the lives of many youngsters. This collaborative effort by Everbright educators, parents, donors, and students has made your success possible. The opportunity to recognize and applaud your efforts is particularly gratifying.

The success of Everbright School and its students is certainly a point of great pride for our community. On behalf of the residents of Edison Township thank you for your hard work and dedication and your continued commitment to community service.

CONGRATULATIONS!

Sincerely,

Antonia Ricigliano
Mayor
