Dear Friends,

It is my great honor and privilege to recognize the Everbright Chinese School on its 8th Anniversary and to commend Everbright and all of its volunteers for the important community contribution they have made.

Since it was established in 2001, Everbright has provided countless young people with the opportunity to learn the Chinese language, better understand Chinese culture, and participate in enrichment programs including English, mathematics, and SAT preparation. It has been a special collaborative effort by Everbright educators, parents, donors, and students that has made the last 8 years of success possible. I would like to take this opportunity to recognize and applaud that effort.

The success of Everbright and its students is certainly a point of great pride for Edison Township. On behalf of the residents of Edison I thank you for your hard work and dedication and encourage your continued commitment to community service.

Congratulations and all best wishes for another 8 years of great success!

Sincerely,

Jun H. Choi
Mayor
